

Please join us for the Development Services Department's

Residential Solar Photovoltaic Information Session

*Learn about DSD's grassroots efforts to streamline the
Solar Photovoltaic Permit Process*

The workshop includes an overview of the new Solar Photovoltaic review and permitting process. We will also be introducing a plan check template and inspection guidelines.

Monday, May 17, 2010, 10 a.m. to 12:00 p.m.
DSD Inspection Services Office
9601 Ridgehaven Court – 1st floor Auditorium
San Diego, California 92123

Please RSVP to Tricia Santillan at (619) 557-7998 or PSantillan@san diego.gov
